The Nondepartmental budget contains programs and functions that don't "belong" to other County departments. These offices, agencies, commissions, and other dedicated entities provide County-wide oversight, advice, support, or accounting for corporate obligations.

*“The Non-Departmental CBAC is diverse, consisting of new and returning citizen volunteers. What we have in common is a concern for the fiscal health of Multnomah County, a belief in the maintenance of fiscal responsibility among the county offices and agencies, and a desire to seek collaborative and proactive actions to improve non-departmental functions benefiting the community.”*
