Each year the Federal Administration on Aging (AoA) issues a theme for Older Americans Month to assist our National Aging Services Network of state, tribal, area agencies on aging, and community services providers plan for activities that might take place in May or throughout the year. This year’s theme - “Unleash the Power of Age” - reminds us of the important roles older adults play in our community every day, and the support they receive from the aging services network that enables them to stay active and engaged.
