A stylized graphic on the left side of the slide depicts a landscape. It features two dark green, triangular mountain peaks with rounded tops. Below the mountains is a dark green, wavy horizontal band representing a valley or a layer of earth. At the bottom of the graphic is a dark blue, wavy horizontal band representing water. The entire graphic is composed of solid-colored shapes with white outlines.

# Mental Health and Health System Transformation

## A Changing Landscape

Susan Myers, Director, Department of County Human Services; David Hidalgo, Director, Mental Health and Addictions Services Division; and Teri Beemer, Assistant Director, Mental Health and Addictions Services Division

March 11, 2014
