## General Information

### 1. What action are you requesting from the Board?

The Department is requesting the Board approve a budget modification for the reclassification of an Administrative Services Officer to an Administrative Analyst in the Budget and Operations Support division as determined by the Class/Comp Unit of Central Human Resources

### 2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

During span of control discussion as part of Multnomah Evolves, it was decided the organization could be more effective if this Administrative Services Officer position no longer was in a supervisory classification. Supervisory responsibilities were removed from the job description and a request was submitted by management to the Class/Comp unit of Central Human Resources to determine the appropriate classification of the newly described position. It was determined that it best fit the Administrative Analyst classification. This determination was made after the FY11 Budget was adopted by the Board so a budget modification is necessary to properly account for this

change.

**3. Explain the fiscal impact (current year and ongoing)**

Personnel expense will be decreased by \$23,145 in the current year. Similar personnel expense savings will be realized in future years.

**4. Explain any legal and/or policy issues involved.**

None

**5. Explain any citizen and/or other government participation that has or will take place.**

None
