General Information

1. What action are you requesting from the Board?

The Department of County Human Services is requesting approval of budget modification DCHS13-01, authorizing the reclassification a full-time Office Assistant Sr. position to an Office Assistant 2 in the Mental Health & Addiction Services division of the Department of County Human Services as determined by the Class/Comp unit of Central Human Resources Reclassification Request #1901.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

This budget modification reflects an HR Class/Comp decision on a reclassification request in Program Offer 25058 – Mental Health Commitment Services. HR Class/Comp reviewed the job duties of this position and determined that the Office Assistant 2 classification was the best fit for this position.

This position is part of the Clinical Records Unit in the Mental Health and Addictions Services Division (MHASD). Over the past few years some duties of this position changed or were eliminated due to automation and operational process improvement. Subsequently, management requested this position be evaluated for proper classification. A Class Comp Analyst met with the employee in this position and the manager of the unit to review and clarify the duties and responsibilities performed. The summary of findings, based on the position description and desk interviews, are as follows:

The primary focus of this position is the assembly, retrieval, filing and archiving of MHASD clinical records. Duties involve creating client charts, filing documents into said charts, and filing charts in the file room. This position collects and organizes daily Notices of Mental Illness (NMI) and court numbers assigned to each NMI; compiles a daily log; verifies client information for accuracy and makes corrections as needed; and performs data entry into Access database. Other duties include preparing the client State history report, requesting charts from the Archives and sending charts to the Archives, as well as providing basic administrative support functions for the ICP Supervisor and ICP staff.

3. Explain the fiscal impact (current year and ongoing)

The budgeted Office Assistant Sr. classification (step 8) and the reclassified downward Office Assistant 2 are the same since there will be no change in pay. As a result, there is no current year fiscal impact or near-term on-going financial impact related to this reclassification.

4. Explain any legal and/or policy issues involved.

5. Explain any citizen and/or other government participation that has or will take place.
