GOOD FAITH EFFORT

Briefing to the Board of County
Commissioners on Proposed changes to
County's Good Faith Effort Requirements

PROPOSED KEY CHANGES GOOD FAITH EFFORT REQUIREMENTS

- ◆ The submission of the bidders Good Faith Effort documentation will not be required until 24 hours after the bid due time. It is currently required with the bid.
- ◆ Only the low bidder, and any other bidder wishing to be considered should the low bidder be found non-responsive, are required to submit the Good Faith Effort documentation. Currently all bidders must submit all documentation with their bid.
- ◆ Currently, if any required Good Faith Effort documentation is missing from the bid submittal the bid must be rejected as non-responsive. The proposed changes would include, as part of the bid, a statement similar to that used by the City of Portland that "Failure of the low bidder to submit all required Good Faith Effort documentation within the 24 hour time frame, may result in its bid being rejected as determined by the County in its sole discretion."
- ◆ The bid documents will include a sample solicitation letter that can be used by contractors in their written contact with subcontractors.
- ◆ The bid documents will include a sample telephone log to assist contractors in documenting their follow-up contact with subcontractors.
- ◆ A check list will be provided to assist contractors in assuring that they have provided all required documents.
