### General Information

#### 1. What action are you requesting from the Board?

To comply with Multnomah County Code 15.650, I am requesting that the listed property be placed on the Board of County Commissioners' agenda for approval of the Resolution for the disposition of unclaimed property.

- 1) 1970 Jensen Marine 25-foot propulsion boat; OR 224AEG
- 2) 1969 Sierra 14-foot propulsion boat; OR 519DF

#### 2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The abandoned vessel has been left unclaimed on public waterways in Multnomah County. The Sheriff's Office River Patrol Unit has made attempts to contact the last known registered owners, but have been unable to locate anyone who will take responsibility for them. Destruction of these vessels is essential to protect the sensitive river ecosystem and discourage the dumping of unwanted vessels in the future.

#### 3. Explain the fiscal impact (current year and ongoing).

None

#### 4. Explain any legal and/or policy issues involved.

None

#### 5. Explain any citizen and/or other government participation that has or will take place.

The Oregon State Marine Board will take possession of the vessels and destroy them.
