THE DEPARTMENT OF LAND CONSERVATION AND DEVELOPMENT OF  
THE STATE OF OREGON

IN THE MATTER OF THE CLAIM FOR	)	FINAL ORDER
COMPENSATION UNDER ORS 197.352	)	CLAIM NO. M118495
(BALLOT MEASURE 37) OF	)	
Albert J. and Deane Dilnik, CLAIMANTS	)	

Claimants:     Albert J. and Deane Dilnik (the Claimants)

Property:       Township 2N, Range 2W, Section 19C, Tax lots 2300 and 2400; and  
                  Section 24D, Tax lot 1700, Multnomah County (the Property)

Claim:           The demand for compensation and any supporting information received from the  
                  Claimants by the State of Oregon (the Claim).

Claimants submitted the Claim to the State of Oregon under ORS 197.352. Under OAR 125-145-0010 *et seq.*, the Department of Administrative Services (DAS) referred the Claim to the Department of Land Conservation and Development (DLCD) as the regulating entity. This order is based on the record herein, including the Findings and Conclusions set forth in the Final Staff Report and Recommendation of DLCD (the DLCD Report) attached to and by this reference incorporated into this order.

ORDER

The Claim is approved as to laws administered by DLCD and the Land Conservation and Development Commission (LCDC) for the reasons set forth in the DLCD Report, and subject to the following terms:

1. In lieu of compensation under ORS 197.352, the State of Oregon will not apply the following laws to Albert J. and Deane Dilnik's establishment of a single-family dwelling on each of three existing platted lots on their 20-acre property: applicable provisions of Statewide Planning Goal 4, ORS 215, and OAR 660 division 6. These land use regulations will not apply to Mr. and Ms. Dilnik's use of their property only to the extent necessary to allow them to use the property for the use described in this report, to the extent that use was permitted at the time they acquired the property on April 5, 1966.
2. The action by the State of Oregon provides the state's authorization to the claimants to use their property for the use described in this report, subject to the standards in effect on April 5, 1966.
3. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the property may not be used without a permit, license, or other form of authorization or consent, the order will not authorize the use of the property unless the claimants first obtain that permit, license or other form of authorization or consent. Such

requirements may include, but are not limited to: a building permit, a land use decision, a permit as defined in ORS 215.402 or ORS 227.160, other permits or authorizations from local, state or federal agencies, and restrictions on the use of the property imposed by private parties.

4. Any use of the property by the claimants under the terms of the order will remain subject to the following laws: (a) those laws not specified in Condition 1 above; (b) any laws enacted or enforced by a public entity other than the Commission or the department; and (c) those laws not subject to ORS 197.352 including, without limitation, those laws exempted under ORS 197.352(3).

5. Without limiting the generality of the foregoing terms and conditions, in order for the claimants to use the property, it may be necessary for them to obtain a decision under ORS 197.352 from a city and/or county and/or metropolitan service district that enforces land use regulations applicable to the property. Nothing in this order relieves the claimants from the necessity of obtaining a decision under ORS 197.352 from a local public entity that has jurisdiction to enforce a land use regulation applicable to a use of the property by the claimants.

This Order is entered by the Deputy Director of the DLCD as a final order of DLCD and the Land Conservation and Development Commission under ORS 197.352, OAR 660-002-0010(8), and OAR 125, division 145, and by the Deputy Administrator for the State Services Division of the DAS as a final order of DAS under ORS 197.352, OAR 125, division 145, and ORS 293.
