Phone: (503) 988-5050 Ext. 29833 I/O Address: 425/1

Presenter

Name(s) &

Title(s): Tom Hansell, Program Manager

General Information

1. What action are you requesting from the Board?

Convene as the governing body of the Mid-County Service District No. 14 to:

- Select presiding officer from among budget committee members present;
- Hear budget message;
- Open Public Hearing to consider any testimony presented by the public about the proposed budget, and
- Vote on and approve the budget for submittal to Tax Supervising and Conservation Commission

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

Multnomah County's Service District operates under the provisions of Chapter 451 of the Oregon Revised Statutes to provide street lighting in particular areas of the County. The Multnomah County Board of Commissioners serves as the governing body of the District. The budget committee for the District consists of the members of the Board of County Commissioners and resident(s) of the District. Budget committee member Erich Mueller joins the Board of County Commissioners as a District resident holding equal authority with the governing body during the budget committee process to ask questions, comment, and vote on the budget.

The annual budget for each District is prepared under the direction of a budget officer designated by the Board. Tom Hansell from the Department of Community Services' Land Use and Transportation Program serves as budget officer and administrator of the District. The budget committee reviews the annual budget and approves it either as submitted by the budget officer or with revisions requested by the committee.

These procedures fulfill the requirements of Oregon's Local Budget Law (ORS Chapter 294), which provides specific methods for obtaining public review and comment on the financial and administrative policies of the District.

Multnomah County's Departments of County Management and Community Services provide financial, administrative, and illumination engineering services to the District. The District is, however, a separate and independent financial entity. Expenses incurred, such as administration and fiscal services, are met with revenue received from a tax assessment to real property within the street lighting service District.

The District was organized to provide street lighting in the unincorporated areas of Multnomah County and the cities of Maywood Park, Troutdale, and Fairview.

3. Explain the fiscal impact (current year and ongoing).

The District proposes a total budget of \$859,500 for fiscal year 2015. This budget represents a \$112K or 15% increase above the current adopted budget. The entire increase is associated with a planned LED capital conversion project the District will start in FY 2015. For routine maintenance and operations, the budget remains unchanged from the current year. PGE has indicated rates will remain flat, and any power increases will be offset through system efficiencies.

This proposed budget will maintain budget appropriations at the current year amount. The District will continue to build its fund reserve to support the LED conversion project. The District continues to work with the cities in supporting lighting system improvement projects which respond to vehicular and pedestrian conflict areas and improving pedestrian safety.

The revenues necessary to support the operations of the District are collected through user fees and special assessments collected through the property tax system. The District's current assessment is \$60.00 per property per year. For FY 2015, the District proposes no change to the rate.

4. Explain any legal and/or policy issues involved.

The District is a separate legal entity (ORS 451). Because of its size, it requires a budget committee. The actions requested of the District Budget Committee are consistent in meeting the requirements of Tax Supervising Conservation Commission and statewide local budget law.

5. Explain any citizen and/or other government participation that has or will take place.

Published two Notices of Public Hearing for the Budget Committee Meeting.

Required Signature.
