Approval of the purchase of property interests necessary for the construction of road improvements associated with Transportation's NE Sandy Boulevard Road Project.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

On July 16, 2015, the Board of County Commissioners approved Resolution No. 2015-084 directing the Department of Community Services Transportation Division (Transportation) to begin negotiations to acquire certain real property interests necessary for a road improvement and street widening project along NE Sandy Boulevard in the Cities of Wood Village and Fairview.

Transportation conducted negotiations as authorized under Resolution No. 2015-084, with abutting property owners for acquisition of certain Easements necessary to construct road improvements along NE Sandy Boulevard. Copies of the Easements which contain the negotiated settlement are included in Exhibit 1 to this Resolution. The negotiated considerations for these Easements were based on appraisals produced by licensed Professional Appraisers, and have been reviewed by an independent Professional Appraisal Reviewer.
