1. Brief overview of grant's purpose and/or impact.

This grant program funds the McNeff's Open Doors for Survivors with Disabilities project (hereinafter "Open Doors"). This continuation grant, if awarded, will provide continued project funding through at least September 30th, 2020.

The mission of the Open Doors project is to develop strategies to increase service equity based on identifying systemic gaps. Working collaboratively, project partners address these disparities through a person-centered approach, focusing on increasing accessibility, provider education, utilization of survivor input, and the creation of ample opportunities for all to be respectfully and compassionately served, through any service door they enter.

Open Doors focuses primarily on female survivors of all types of gender-based violence age 18 to 64 years old with physical disabilities, including women with physical disabilities and co-occurring mental health conditions.

Grant funding supports .8 FTE program specialist within Multnomah County's Youth and Family Services Division to focus on program management and training coordination, as well as reimbursement for nonprofit community-based partners' time on project deliverables and meetings.

2. Brief overview of how proposal is aligned with Department's strategic direction.

The Department of County Human Service's "North Star" is: "By 2025 in Multnomah County, every person – at every stage in life – has equitable opportunities to thrive." DCHS strives to reach this North Star through three main focuses of Quality of Life, Education for All and Equitable Economic Opportunity for All.

Open Doors envisions a sustained collaboration entrusted with improving the system's capacity and response, existing to ensure the safety and self-empowerment of people with disabilities who have experienced domestic violence, sexual violence, and/or stalking, and insisting that all survivors deserve accessible services and resources. This grant will help us to continue to achieve the goals of Open Doors which are very much aligned with the larger DCHS's North Star focus of Quality of Life as well as equitable opportunities to thrive.

3. Describe any community and/or government input considered in planning for this grant.

The Open Doors collaborative meets monthly and participates in on-going system analysis and development for the project. The Multidisciplinary Team includes representatives from all project partners (Multnomah County Department of County Human Services' Domestic and Sexual Violence Coordination Office and Adult Protective Services; Disability Awareness Resource Team; Native American Youth and Family Services; Call to Safety; and Raphael House of Portland). Several planning meetings were held to discuss this grant application where partners were able to offer input and guidance into the creation of the grant proposal.

Multnomah County Department of County Human Services' Adult Protective Services and Domestic and Sexual Violence Coordination Office; Disability Awareness Resource Team; Native American Youth and Family Services; Call to Safety; and Raphael House of Portland
