TO: Board of County Commissioners  
FROM: Dave Warren, Budget & Planning Director *DCW*  
SUBJECT: AUGUST 9, 1991 STRATEGIC PLANNING MEETING  
DATE: July 26, 1991

As promised, we've attached a synthesis of the areas consistently addressed in County planning documents written since 1986.

Carolyn Meeks has reviewed:

- The report of the PDC Subcommittee on Planning;
- The March, 1990 Strategy Plan Report;
- The BCC Policy Direction regarding the FY 1991-92 Budget;
- Each Commissioner's objectives in the budget document; and
- The December, 1986 resolution regarding County Goals and Objectives;

She has listed the areas repeatedly discussed in those documents in the attachment.

We hope this synthesis will serve as a starting point as you work to develop long-range goals/policy direction for the County. Because these areas have been identified in the planning documents, they may be those where long-range goals/policy need to be established. You'll notice some areas listed in more than one group. We believe this supports the "continuum of services" concept often mentioned in the planning documents.

A proposed agenda for the August 9 meeting is also attached. Carolyn has arranged to meet with you and the facilitator, Cynthia Guyer, before August 9. Please ask any questions you have concerning these documents and the process itself during this meeting.

We look forward to working with you throughout this process.
