## ***COUNTY CHAIR, TED WHEELER***

### **15 years**

#### **Ruby Ibarra – Community Health Specialist, Health Department, Integrated Clinical Services**

Ruby manages an amazing workload everyday. In addition to her main duties as a community health specialist, she has successfully managed the diabetes federal and state project during the past year, coordinates the dental services provided thru Northwest Medical and Dental team and works closely with the providers at LaClinica in the referral of clients to the Centering Pregnancy Project. Although Ruby's plate is "always full" she is always available to help her co-workers at the front desk in answering phones, checking clients in and out and making appointments.

Ruby comes to work each day with a smile and desire to provide culturally competent care to the clients of La Clinica de Buena Salud. She is reliable, dependable, has strong interpersonal skills, highly knowledgeable, multi-skilled and flexible. Ruby is truly a dedicated professional and a role model for her team. We are very fortunate to have Ruby as an employee of Multnomah County.

## ***DISTRICT 1, DEBORAH KAFOURY***

### **20 Years**

#### **Rita Magionos – Administrative Assistant, County Attorney's Office**

Rita has been the face of the County Attorney's Office for 20 years. In addition to making an office of 16 attorneys run like clockwork, Rita is exactly the type of employee we want to represent the County. Whether she is dealing with County employees, elected officials, the courts, opposing counsel, plaintiffs who have made a claim against the County, or most recently, unhappy ITAX payers, Rita treats everyone who enters our door with dignity, respect and a smile. She fields an amazing number of calls from frustrated citizens who cannot find the number they need and she always takes the time to figure out who they should call and to provide them the number they need. I constantly get compliments for her as well as threats from those who would try to steal her away.

## ***DISTRICT 2, JEFF COGEN***

**25 years**

**Phil Deas – Program Manager, Department of County Human Services, Aging and Disability Services Division**

Phil Deas has demonstrated a consistently strong commitment to providing quality services to older adults and younger people with disabilities for 25 years! He has impressed peers and staff alike through all these years with his leadership and integrity in administering and managing our programs, as well as the heart and compassion he brings to his work. As a manager within ADS he has shown great flexibility, skill and finesse as he has taken on new assignments, implemented special projects, and led staff through endless organizational and programmatic changes. Phil represents Multnomah County on the Seniors and People with Disabilities Operations Committee, and in this role has advocated and supported the implementation of policy and program changes that will benefit our staff and clients. All said, he continues to be a tremendous asset to ADS, DCHS, and the County, and we hope he will remain with us for a great while longer!

## ***DISTRICT 3, JUDY SHIPRACK***

**30 years**

**Deborah Attwood – Tax Exemption Specialist, Department of County Management, Division of Assessment, Records, and Taxation**

Debbie Attwood is a once-in-a-generation outstanding employee. On sheer ability and commitment, she has risen from entry-level work to the ranks of staff level professional. Mrs. Attwood is the one who processes all exemption and special assessment applications. Her principal responsibility is focused on the thirty-two exemption and special assessment statutes requiring applications to determine eligibility of the nonprofit applicants. Debbie lends her advice, support and knowledge to co-workers concerning all projects and tasks performed by Special Program Group team members and DART staff in general. She and her supervisor have been instrumental in building a work unit of "special forces" where much of DART's complex property assessment work is performed.

Debbie's overall job performance is excellent. Debbie is an exceptional employee who has a working knowledge of our office goals and is willing to initiate changes in procedures to improve workflow and efficiency. She has proven to be a valuable member of Special Programs Group and all of DART.

- Debbie Attwood had her 18<sup>th</sup> birthday one month after beginning her career with the County
- Debbie enjoys working as part of a team, feeling appreciated by her peers and our Assessor/Director
- Debbie takes great pride in helping people and organizations enjoy the benefit of proper tax exemptions & assisting with closing a correct tax roll

## ***DISTRICT 4, DIANE MCKEEL***

### **35 Years**

#### **Nancy Gomoll, Circulation Clerk, Library Central Branch**

Nancy is the longest serving Library Clerk in our system. She is being honored for 35 years of service. The job title Library Clerk may not have changed, but the way we do our jobs certainly has. When Nancy began her job we used typewriters, card catalogues and hand stamped the due dates. She is now assisting in RFID conversion of all library materials and serves as a member of the new Checkout Station User Interface Team. Through it all Nancy remains consistently and reliably an excellent clerk. As well as being a helpful and knowledgeable presence for our patrons she is an integral part of many functions necessary to the smooth running of our department, from scheduling to cash counting. She is always willing to take on new duties and always looking for ways to keep her job fresh.

She combines long institutional knowledge with a willingness to move forward into the future. We appreciate and value Nancy very highly.
