General Information

1. What action are you requesting from the Board?

Requesting adoption of order and approval of designees. The Mental Health and Addiction Services Division is recommending approval of the designees in accordance with ORS 426.233(2) and (3).

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

Outpatient mental health agencies depend upon certain staff members' certification to assess clients for "Director Designee Custody". This certification allows the County designee to direct a "peace officer", typically a police officer, or a secure transportation provider to take into custody a person who the designee has probable cause to believe is dangerous to self or to others and who the designee has probable cause to believe is in need of immediate care, custody, or treatment of mental illness. "Peace officers" or secure transportation providers then transport the person to a hospital or other approved treatment facility for further evaluation. As agencies experience staffing turnover or increases, new staff need to be trained and certified as designees.

3. Explain the fiscal impact (current year and ongoing).

None.

4. Explain any legal and/or policy issues involved.

ORS 426.233(2) and (3) give the Board the authority to designate staff for this purpose.

5. Explain any citizen and/or other government participation that has or will take place.

None.
