Lynda, I just caught this on the last page of the resolution, it should say:

2. Resolution No. 2012-081 is repealed, and this resolution takes effect on \_\_\_\_\_ XX, 2013.

It had the previous resolution 2012-039 listed, I had missed this change. Can you correct it on your copy?  
Thanks very much!

Cheers.  
Wanda
