1. Brief overview of grant's purpose and/or impact.

The Oregon Justice Reinvestment Grant program seeks to control prison growth by investing avoided operational prison costs in local public safety systems. The Multnomah County Justice Reinvestment Program (MCJRP) is a transformative collaboration between Local Public Safety Coordinating Council (LPSCC) partners. MCJRP deploys data and evidence based risk/need assessment to inform sentencing, use of prison beds, and local supervision strategies. These strategies must reduce recidivism through evidence-based practices; reduce prison populations for property, drug, and driving offenses; increase public safety; and hold offenders accountable.

LPSCC's are the designated applicants for the grant funds. These funds support key MCJRP functions within the Department of Community Justice, the Offices of the Sheriff and the District Attorney, LPSCC, and the Oregon Judicial Department.

Ten percent of the County award must be used to serve victims of crime. Funds will be used to support victim services for underserved populations; increase capacity in areas with difficult and/or limited access, and/or to address other service barriers such a language, literacy, disability, transportation or cultural practices. These are awarded through a procurement process.

2. Brief overview of how proposal is aligned with Department's strategic direction.

LPSCC is charged with coordinating plans, policies, and strategies that increase cost effectiveness and are responsive to the needs of the community. LPSCC convenes key leaders and stakeholders to implement these policy and solutions. LPSCC relies on research and data to inform planning, policy and monitor the effectiveness of responses.

Policy oversight for MCJRP is facilitated by LPSCC. The Justice Reinvestment Steering Committee (JRSC) is a sub-committee to the LPSCC Executive Committee. Consistent with LPSCC's strategic direction, the JRSC and MCJRP strive to use data to manage, and make smarter use of prison and community supervision resources. A cross agency data team

supports collaborative data driven decision-making that informs use of MCJRP related law enforcement contact with offenders, use of local jails and the treatment readiness, as well as sentencing and supervision practices.

MCJRP also aligns with Department efforts to examine and reduce Racial and Ethnic Disparities, smarter use of jail beds, and cost effective use of services and criminal justice resources.

3. Describe any community and/or government input considered in planning for this grant.

The JRSC meets weekly to address MCJRP policy and operational issues. JRSC members include:

- Multnomah County Sheriff, Michael Reese
- Multnomah County District Attorney, Rod Underhill
- Multnomah County Circuit Court Presiding Judge, Nan Waller
- Portland Police Bureau Chief, Michael Marshman
- Multnomah County Dept of Community Justice Director, Scott Taylor
- National Crime Victim Law Institute Executive Director, Meg Garvin
- CODA Executive Director, Tim Hartnett
- Citizen Chair (Sussman Shank, LLP), David VanSpeybroeck
- Metropolitan Public Defender Executive Director, Lane Borg

The JRSC has conducted listening sessions with key constituents, with future sessions to be determined. The JRSC releases process measure reports available on the LPSCC website. The MCJRP Outcome Report is expected to be available effective January 1, 2018. The JRSC continues to work with the County Communication Office to inform and hear from community members as well as other colleagues engaged in Justice Reinvestment efforts.

County procurement and budget offices also provide program and contract support.

4. What partners may be included in program activities?

All members of the JRSC will partner in the program activities. Program and Victim Service providers will be considered partners and incorporated in policy and operational issues at varying levels. LPSCC will provide logistical support and project management.

5. Generally, what are the grant's reporting requirements?

LPSCC will be responsible for quarterly program and financial reporting which is submitted to the Oregon Criminal Justice Commission (CJC). The grant requires reporting on the 10% Victim Services funds twice each year. The grant period will cover 8 Quarters.

Please complete for NOIs on the Regular Board Agenda ONLY:
