General Information

1. What action are you requesting from the Board?

We are requesting approval of Amendment 4 to an Intergovernmental Agreement (IGA) #28483 with the Oregon Department of Transportation (ODOT). The Amendment updates the total project cost and updates Project Milestone dates. It also adds Exhibit C, Federal Funding Accountability and Transparency Act (FFATA) Subaward Reporting.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer(s) this action affects and how it impacts the results.

Arata Rd project overall cost and scheduled is changed. According to ODOT rules, an IGA amendment is needed to reflect the new project's cost and milestones. Project's construction phase is still planned to start this summer.

3. Explain the fiscal impact (current year and ongoing).

No impact to current fiscal year. The extra cost was already programmed in the County's budget.

4. Explain any legal and/or policy issues involved.

N/A

5. Explain any citizen and/or other government participation that has or will take place.

Multnomah County held three public meetings throughout the project design. Multnomah County has communicated with ODOT and Metro regarding this Amendment. Future public outreach will occur before and during construction.
