Hi, Courtney:

Could you give me an approval of this IGA? Here is the hard copy I got back from ODOT. It includes the change you requested.

The only difference I can see from the copy you approved is:

- On page 11, #7, the reference was changed from "paragraphs No. 3 through No 7 above" to "paragraphs No. 3 through No. 6 above".
- Exhibit C was removed because it is not needed for this Agreement.

I think our plans going forward are to **not** send IGA's back to you for another approval when we get the PDF copy back from ODOT, unless any changes were made. I've started scanning through them to double-check that something else didn't get changed.

I need your email to be a clear approval. I forward a copy of it to Paula Watari before it goes to Kim Peoples and then the Board.

Thanks.
