FOR MULTNOMAH COUNTY, OREGON  
ACTING AS THE PUBLIC CONTRACT REVIEW BOARD

In the Matter of exempting from formal )  
competitive bidding a change order to ) ORDER  
increase a contract with Tank's Electric ) 97-21  
Company to \$29,948 )

The above entitled matter is before the Board of County Commissioners, acting in its capacity as the Multnomah County Public Contract Review Board, to review, pursuant to ORS 279.017 and PCRB Rule 20.050, a request from the Department of Environmental Services, Facilities and Property Management Division, an exemption from the formal competitive bid process to increase the contract with Tank's Electric Company for repairs at the Kelly Building to \$29,948.

It appearing to the board that the request for exemption, as it appears in the application, is based upon the fact that informal competitive quotes were sought for this work and that the additional cost is due to unanticipated requirements from the City of Portland and unexpected work discovered after the job had begun.

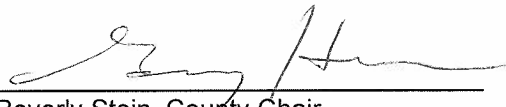

It appears to the Board that this exemption request is in accord with the requirements of ORS 279.017 and PCRB Rule 20.050; now therefore,

**IT IS ORDERED** that the contract with Tank's Electric Company may be increased to \$29,948 without formal competitive bidding.
