Paula -

Can you help me get this on the BCC agenda for signature?

- Roy

I wasn't sure if this made it on your radar, so I'm forwarding again.

This is the Regional Coalition IGA that is ready for the Board with your review. I've passed this through legal, and have their approval.

- Roy

I recommend just having the Chair sign. You are putting this before the Board because it is a "190 IGA" and yes, it has "Revenue Contract" attributes, but note that the County also has a monetary obligation in this IGA—so there may be a path to weave through CON-1 that would allow for a Director's signature...but there may not . . . and it's already going before the Board, so the Board Clerk can collect the Chair's signature very easily and that resolves any question of "who can sign."

Ian -

I have received approval from our attorney's office on the final version of the IGA for the Regional Coalition for Clean Rivers and Streams, our local stormwater outreach collaborative.

Barbara confirmed with Purchasing that this should be a Revenue IGA. We are not sure if this requires Board signature, or Department signature.

Please advise how to proceed. Does this revenue IGA require Board signature? Or Department signature?

(Attached: IGA and APR reviewed by Katherine Thomas)

Thanks - Roy

Roy,

Attached are the final APR (I cleaned up a few formatting issues) and the revised IGA (my two edits that we discussed are in track changes for your review - please give me a call if you want to discuss). If these changes are made, the APR and IGA are final and ready to go.

Please take a look at this today and let me know if you have any questions because I will be out next week and most of the week after.

Thanks,
Katherine

Thanks for the follow up. I forgot to send the email yesterday, though had it drafted.

I also just saw that my counterpart at Gresham agreed that the section 5 language need not be stricken. If you could reject the strikeout, then we would be final.

Thank you! - Roy

A few questions:

- Will you need to go to Board Staff for this item?
- If you don't need to go to Board Staff we may be able to get this on the Nov. 10th agenda - okay?
- How much time do you need to present to the Board? 5 minutes?

Let me know.

Thanks,

Paula

Paula -

I was hoping you would tell me what needs to happen. I have called into Board Staff meetings before. I believe I did so when I brought the last IGA for the Regional Coalition in front of the Board last year.

Can this go on the consent calendar? If not, 5 min is plenty.

Thanks - Roy

Roy,
This is just a renewal of an existing IGA, right? That means it can go on the Consent calendar with no Board Staff briefing required. That should put this on the Nov. 10th agenda. Does that work for you?

Good - We'll go with Nov. 3rd, but I'm checking again with the County Attorney to see if we need a 2nd reading of the Ordinance.

By the way, you WILL be there on the 3rd just in case - right?

Yes, I'm planning on being there if any questions arise.

This is an IGA, not an ordinance, so I don't believe there is a second reading. Right? I recall my previous IGAs were signed right away.
