

BEFORE THE BOARD OF COUNTY COMMISSIONERS
FOR MULTNOMAH COUNTY, OREGON
ACTING AS THE PUBLIC CONTRACT REVIEW BOARD

In the Matter of a sole source exemption
for purchase of fuel management and
UST equipment

)
)
)

O R D E R
95-209

The above entitled matter is before the Board of County Commissioners, acting in its capacity as the Multnomah County Public Contract Review Board, to review a request from the Department of Environmental Services, F.R.E.D.S., pursuant to ORS 279.015 and AR 10.010, AR 10.100, and AR 20.030 to include specific brands of fuel management and UST leak detection equipment in the bidding documents.

It appearing to the Board that the recommendation for a sole source exemption, as it appears in the application, is based upon the fact that Petrovend and Veeder Root are the sole manufacturers of compatible equipment.

It appearing to the Board that this request for a sole source is in accord with the requirements of ORS 279.015(4) and PCRБ Rules AR 10.01; now therefore,

IT IS ORDERED that Petrovend and Veeder Root brands be specified for purchase of fuel management and UST leak detection equipment in a formal competitive bid process.

Dated this 19th day of September, 1995.
