General Information

1. What action are you requesting from the Board?

Approval of the 5-Year Consolidated Plan 2011-2016, and the 2011-12 Annual Action Plan.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

Multnomah County is entitled to annually receive U.S. Department of Housing and Urban Development (HUD) funds through the Community Development Block Grant program. For program year 2011-12 the planning has been done using the allocation amount of \$332,192 and some recently emerged Re-programmed funds in the amount of \$228,447.

HUD program requirements include the development of a Consolidated Plan that provides principles and priorities for allocation of these federal funds and includes a market analysis, demographics, and descriptions of resources for the low and moderate income persons. A program consortium comprised of Multnomah County and the cities of Portland and Gresham has worked to produce the 5-year Consolidated Plan and the annual Action Plan.

The County's Policy Advisory Board rated and ranked the list of activities of the Annual Action Plan draft on March 17, 2011 and public testimony was solicited on April 7, 2011.

Citizen participation for the Consolidated Plan has taken place through a series of public hearings held by both cities and the County.

This action impacts Program Offer # 25140 Housing. Approval of this plan is a funding requirement; the plan identifies priorities and strategic direction for use of federal Community Development Block Grant funds.

3. Explain the fiscal impact (current year and ongoing).

2011-12 CDBG Grant award is \$332,192 and Reprogrammed Funds in the amount of \$228,447.

4. Explain any legal and/or policy issues involved.

None is anticipated.

5. Explain any citizen and/or other government participation that has or will take place.
