Hi Mariana,

Please see attached **revised** APR and Resolution, both approved by County Attorney, for the August 16 Board Meeting. The APR replaces the one previously submitted and has the **corrected title** for the Board Agenda. The resolution was not previously submitted. The permit that we are seeking Board approval to issue was submitted previously, I can provide another copy if needed.

All of this needs to get to the Board Clerk by noon on Wednesday (tomorrow).

Please give me a call on my cell phone if you have any questions.

Thanks for your help!
