Date Submitted: _____

Agenda Title: NOTICE OF INTENT – Safe Routes to School Non-Infrastructure Grant

Note: If Ordinance, Resolution, Order or Proclamation, provide exact title. For all other submissions, provide a clearly written title sufficient to describe the action requested.

Requested Meeting Date:	October 25, 2012	Time Needed:	Consent Agenda
Department:	DCS	Division:	LU&T
Contact(s):	Joanna Valencia		
Phone:	(503)988-3043	Ext.	29637
Presenter Name(s) & Title(s):	I/O Address: 455/116 Joanna Valencia, Transportation Planner		

General Information

1. What action are you requesting from the Board?

Request for retroactive approval to apply for a Safe Routes To School planning grant for \$29,820. In the event that the Board does not approve this request, the Transportation Planning program will withdraw from consideration.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The Safe Routes to School Program (SR2S) is an Oregon transportation program that promotes an increase in safe walking and biking to and from school. The benefits of the program are reduced vehicle congestion and improved air quality around schools and an increase in the physical activity of students.

The SR2S Non-Infrastructure Grant Program provides funding to implement School Action Plans. An action plan is required to be eligible for possible future funding of both Infrastructure (engineering) and non-Infrastructure (education, encouragement, enforcement and evaluation) projects and activities for schools.

The Transportation Planning Program would like to apply for funding to implement the Action Plan for Troutdale Elementary School in the City of Troutdale. This effort includes activities, programs and events that further the goals established in the Action Plan

developed for the school in 2011. It furthers the goal to bring SR2S program assistance to schools in the Reynolds School District that are not receiving it from other sources.

3. Explain the fiscal impact (current year and ongoing).

Land Use and Transportation Planning is requesting \$29,820 in Safe Routes To School grant funds. Transportation Planning budget includes staffing for this program. One time funding in the Transportation Planning budget for the Safe Routes to School Program is also available.

4. Explain any legal and/or policy issues involved.

This effort is consistent with the County's Comprehensive Framework Plan goal to promote and enhance a balanced transportation system that increases public safety and protects livable communities. It also implements strategies in the Climate Action Plan and supports the Community Wellness and Prevention Program.

5. Explain any citizen and/or other government participation that has or will take place.

This application is supported by the City of Troutdale Public Works and Police Departments, the Reynolds School District, the Troutdale Elementary School principal, and the Troutdale Elementary School Parent and Leaders for Students (PALS) association. In addition, the Action Plan involved extensive community partnering with the following stakeholders: parents and students, neighborhood residents, school representatives including PALS, the principal, teachers and other school staff, the Reynolds School District transportation coordinator and Healthy Active Schools coordinator, Multnomah County Land Use and Transportation Program and Health Department, and the City of Troutdale Public Works Department and Police Department.

Grant Application/Notice of Intent

If the request is a Grant Application or Notice of Intent, please answer all of the following in detail:

- **Who is the granting agency?**

The Oregon Safe Routes to School Program.

- **Specify grant (matching, reporting and other) requirements and goals.**

No match is required. Transportation Planning will provide additional staff time to the program through its current work program.

- **Explain grant funding detail – is this a one time only or long term commitment?**

This is a one-time grant specifically to implement the education, encouragement, and enforcement components of Action Plan for Troutdale Elementary School.

- **What are the estimated filing timelines?**

Multnomah County submitted an application on September 21, 2012.

- **If a grant, what period does the grant cover?**

All projects must be completed by September 30, 2013. The County must adhere to ODOT's federal financial and project guidelines and ODOT approved reporting schedules, consisting of four reporting periods. All records, reports, receipts, and invoices must be

submitted to ACTS Oregon by September 30, 2013.

- **When the grant expires, what are funding plans?**
N/A
- **Is 100% of the central and departmental indirect recovered? If not, please explain why.**
Yes
