In the past, the Board of County Commissioners has shared the public's deep concern regarding issues raised by ICE's national Secure Communities program and its I-247 Immigration Detainer requests.

The Board of Commissioners recognizes that fostering a relationship of trust, respect, and open communication between local law enforcement and county residents is essential to the Multnomah County Sheriff's Office and the Department of Community Justice's core mission of ensuring public safety and serving the needs of our entire community.

The Board of County Commissioners and the Sheriff are committed to the preservation and effective use of county resources to maximize public safety and social service outcomes for the community, and the lawful operation of county jails consistent with prevailing constitutional standards.

The Sheriff is committed to the most effective and efficient administration of the county jails. The Sheriff is the sole individual charged with the administration of Multnomah County jails pursuant to Multnomah County Charter § 6.50, and Multnomah County Code § 15.001 and has custody and control of all persons confined to county correctional facilities pursuant to ORS § 169.320.

The Sheriff, upon consultation with community advocates, service providers and the Multnomah County Chair's Office, has established a policy direction that carefully balances the public safety needs of the county, the preservation of scarce county resources, and compliance with prevailing constitutional standards.
