Resolution No. 09-068

Establishing the Annual Fee For A Non-Resident Household Library Card For Households Outside Multnomah County And The MIX Service Area

The Multnomah County Board of Commissioners Finds:

- a. Multnomah County Library is a partner in the Metropolitan Interlibrary Exchange (MIX), a reciprocal service agreement that allows residents of Multnomah County, Clackamas County Library District, Washington County, and Hood River County in Oregon, and residents of the Ft. Vancouver Regional Library District and the City of Camas in Washington to obtain a library card from any of the MIX partner libraries free of charge.
- b. Multnomah County Library provides service to certain other non-residents who live outside the MIX service area by allowing them to purchase an annual household non-resident library card.
- c. The annual fee for a household non-resident library card should be comparable to the library levy assessment paid by an average Multnomah County household.
- d. The average assessed value of a home in Multnomah County is currently \$150,000.
- e. The cost of the library levy for a home valued at \$150,000 is \$11.13 per month, or \$133.56 per year.

The Multnomah County Board of Commissioners Resolves:

1. The annual fee for a non-resident household library card for households outside Multnomah County and the MIX service area is set at \$135.
2. The non-resident household library card fee will be reviewed each time the library levy is renewed.
