## **WRITTEN TESTIMONY**

**AI-PCDS is serving 73 Africans children in Multnomah County, our program serves children from 0 to 5 years old. We most target new arrival families, and we offer Parenting Education and basic skills. Our goal is to prepare children for kindergarten readiness. We organize group activities and we visit clients twice a month. We connect clients to different resources that are in the community, and we provide some assistance with diapers, schools supplies and we connect client to food bank etc.**

**We have found that many African children are not served yet, and some parents, especially mothers aren't supported with parenting Education and skills. However, could the Country extend the founding to our program, then we may hire more Parents Educators and serve more clients, knowing that many of them came from refugees camps, and they need more help.**

**Thank you for your understanding. For more details, please contact:
