General Information

1. What action are you requesting from the Board?

Review and approval of amendment to IGA with HAP for the addition of State of Oregon Housing and Community Services (OHCS), Housing Stabilization Program (HSP) funds and County General Funds for fiscal 2010/2011.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The Housing Authority of Portland (HAP) administers the Short-Term Rental Assistance (STRA) Program, which provides rental assistance and emergency voucher funds to families and individuals.

The County is amending the agreement to add HSP funding in the amount of \$177,767 for fiscal year 2010/2011. This will allow HAP to administer the HSP portion of the STRA Program for the current fiscal year. This change impacts Program Offer #25133.

3. Explain the fiscal impact (current year and ongoing).

This is an increase in funding for the final performance year of the contract that will allow

HAP to continue providing administration services on behalf of the County. The Agreement will end June 30, 2011.

4. Explain any legal and/or policy issues involved.

This amendment continues to bring current Clearinghouse functions into alignment with the new unified rent assistance system model as identified in the 10 year Plan to End Homelessness.

5. Explain any citizen and/or other government participation that has or will take place.

The unified rent assistance system was created in collaboration with the City of Gresham, the City of Portland, and the Housing Authority of Portland. Significant citizen and provider feedback was sought and used throughout the planning process. An Oversight Committee, representing the jurisdictions, providers, and community members was formed and will continue to provide accountability to the new system as it continues to be implemented.
