2. Written testimony will be entered into the official record.

and many local companies will be involved in the project. The Carnegie project will help the local economy while also providing the region with a center for art exhibits, classes and performances.

The community already has shown its interest in seeing the historic Carnegie building pre-

At a time when the area is reeling from the loss of structures due to fires, it is especially timely to invest in the preservation of this architecturally interesting building. To help with the Carnegie Campaign, contact the arts center at 278-9201.

### Don't get hurt while working at the hospital

Open letter to Gov. John Kitzhaber:  
SDSD is going to terminate my medical health insurance after almost a year.  
I have growth rings (don't laugh) and my right thumb and forearm were broken and injured at a hospital Oct. 7, 1981. My right thumb has had cartilage at both ends dislocated out of socket

from the broken thumb and my forearm broken at two places. I'm blind 20/400.

In the one year of health insurance, I got rides to medical appointments using Oregon state vehicles, gasoline, and of course drivers. I sure learned my lesson.

The worst place in the world to get injured is at a hospital as an employee. I was put in a cast that day and have never recovered from the injury.
