General Information

1. What action are you requesting from the Board?

Request approval to renew the Metropolitan Interlibrary Exchange (MIX) intergovernmental agreement with Clackamas County, Washington County, Hood River County Library District, Fort Vancouver Regional Library, and the City of Camas.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The Metropolitan Interlibrary Exchange agreement began as a trial program in 1986 and has been in place in various forms ever since. The current MIX agreement allows residents of participating counties, library districts, and city to use any library in the area free of charge. The agreement recognizes that residents of the metropolitan area travel for work, school and recreation across the boundaries of their respective libraries. The current agreement has been in place since 2007 and is a non-revenue agreement; this renewal extends that agreement for another five years.

3. Explain the fiscal impact (current year and ongoing).

None.

4. Explain any legal and/or policy issues involved.

None.

5. Explain any citizen and/or other government participation that has or will take place.

About 33,000 Multnomah County residents hold library cards from the other participating libraries.
